Memorandum

Date: November 1, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Sale of County-Owned Property Located at NW 58 Street and NW 72 Avenue, Miami, Florida – A portion of Folio No. 30-3014-001-0151

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution which authorizes the following actions:

- Declares as surplus a 47,578 square foot strip of vacated road right-of-way located at NW 58 Street and NW 72 Avenue;
- Authorizes the private sale to LIT Industrial, L.P., the sole adjacent property owner, for \$335,000; and
- Authorizes the County Mayor or the County Mayor's designee to accept the conveyance of an easement for canal maintenance.

Scope

The property is located in Commission District 12, which is represented by Commissioner Jose "Pepe" Diaz.

Fiscal Impact/Funding Source

The sale of this property will place the property on the tax roll, generating an estimated \$8,524 per year in additional ad valorem taxes.

Track Record/Monitor

Shannon Clark of the Internal Services Department, Real Estate Development Division, is managing the sale of this property.

Delegation of Authority

Authorizes the County Mayor or the County Mayor's designee to sell the property to the adjacent property owner, take all actions necessary to accomplish the sale of the property, authorizes the Chairperson or Vice Chairperson of the Board to execute a County Deed (Exhibit 1 to the resolution) for such purpose, and authorizes the County Mayor or the County Mayor's designee to execute an easement for canal maintenance to Miami-Dade (County) (Exhibit 2 to the resolution).

Background

The property was acquired in 1951 and dedicated as road right-of-way for NW 58 Street. In 2014, LIT Industrial, L.P., the adjacent property owner, petitioned to close this portion of NW 58 Street that runs from NW 72 Avenue east for a distance of approximately 1,269 feet to where it dead ends at a canal (Road Closing Petition No. P-904). Resolution No. R-961-14 approved by the Board of County Commissioners on November 5, 2014 authorized the road closure. The south half of the road became the property of the LIT Industrial, L.P., and the north half of the property became the property of the County since the County owns the canal that runs along the north side of the closed road. LIT Industrial, L.P. wishes to purchase the County-owned vacated right-of-way in order to incorporate the

area into its property and develop it as additional parking and truck and trailer staging for its industrial and transshipment operations (Attachment 1 to the transmittal memorandum). LIT Industrial, L.P. will grant an easement for canal maintenance to the County for purposes of canal maintenance (Attachment 1 to the transmittal memorandum). The proposed easement measures approximately 1,269 feet by 15 feet, and 40.13 feet by 45.01 feet for a total of 20,838 square feet (0.478 acres). Canal maintenance includes, but is not limited to, control of aquatic weeds and woody vegetation, inspection, maintenance and cleaning of culverts, and removal of floating debris and other obstructions.

The Internal Services Department circulated the property to all County departments to determine whether the County has a present or future need for the property and, with the exception of the canal maintenance easement that was requested by the Environmental Resources Management Division of the Regulatory and Economic Resources Department, no other use was determined.

The property measures approximately 35 feet by 1,269 feet and abuts a canal on both the north and east sides of the property. Florida Statutes 125.35(2) provides for the sale of County-owned property that is not buildable to an adjacent property owner. Staff has determined that the property is of insufficient size and shape to be issued a building permit, and therefore, recommends that the property be sold to LIT Industrial, L.P, the sole adjacent property owner, for \$335,000, which represents 100 percent of its 2015 appraised value (Attachment 2 to the transmittal memorandum - Appraisal Certification).
